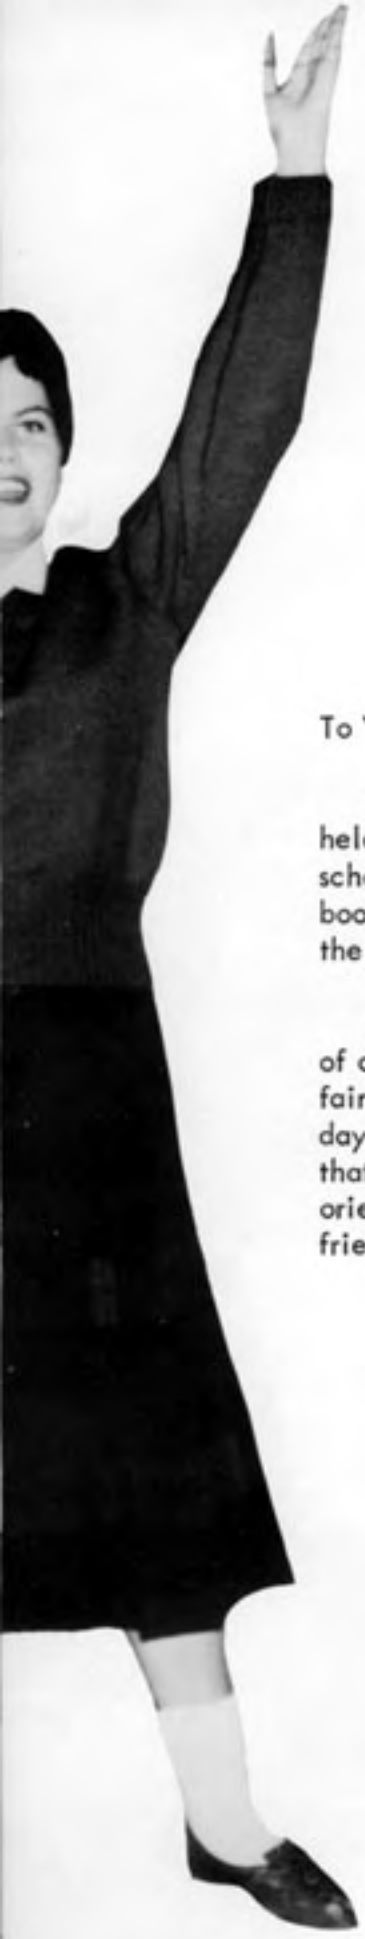
HEY!



FOREWORD

To You---

the students of O.H.S., who have upheld so firmly your ideals of "leadership, scholarship, service, and character," this book is presented. When you read it, may the echoes of the past return to charm you.

With the passing of time, the echoes of our school life will grow progressively fainter and then die away like the school-day memories of our grandparents. We hope that this 1959 Echo will bring back memories of fun, studies, parties, games, and friends.

The Student Council is the governing body of the students at O.H.S. Through this body, projects are carried on which greatly benefit the students and the faculty.

One of the Council's most commendable projects for the year of '59 was a money-raising campaign for a public address system for our school. The council was in charge of the concession stand at most of the basketball games.

The Student Council consists of students selected from each class. The officers are then chosen from among them, except the president who is chosen by the student body.

The members are Janet Read, Jerry Parmenter, Mary Jo Slayman, Joan Bannister, and Ann Speck, Mr. Longhofer is the sponsor.

The Officers are Barbara Coffelt, President; Connie Hagadorn, Vice-President; Mary Jo Asmus, Secretary; Tom Speck, Treasurer; and Judy Baughman, Publicity Chairman.

ACTIVITIES

SPEECH CLUB

The officers of the Speech Club select a play as one of the major money-making projects for the year. OFFICERS ARE: Sharon Craig, President; Sharon Alexander, Vice-President; Lela Birchard, Secretary; Sharon Wicke, Treasurer; Charlotte Stanley, Program Chairman; John David Cole, Publicity Chairman; Sponsor is Miss McClure.

Following parliamentary procedure, giving informative speeches, and working together in a play are but a few of the things speech students learn in the Club. The Speech Club has become a very active factor in O.H.S. It is a popular course and one which greatly benefits the students in later life.

NEWSPAPER STAFF

Miss Eleanor Vossler, Sponsor, and Melinda Miller, Editor, work with the other staff members in publishing the O.H.S. newspaper THE TROJAN. Not only does this newspaper provide juicy bits of gossip, but also many items of interest to O.H.S. students. Everyone looks forward to hearing the announcement, "The newspaper will be sold today."

The work of the newspaper staff is never done. The tapping of a typewriter, the scratching of pencils, and the rustling of paper are familiar sounds to this group. The staff members are Melinda Miller, Editor; Brenda Atwood and Max Sullins, Co-editors; and Charles Chancellor, Sports Editor.

They bought and wrapped ten gifts for the Atchison Receiving Home at Christmas time.

The International School Correspondence Program is the special project for 1958-59. It provides the Council with an opportunity to communicate with a group of young people in another country by means of writing, art, and photography which will be assembled into an album for exchange.

MISS McCLURE, Sponsor

KAYETTES

The main objective of the "green" team is recreation. This team is under the leadership of Mary Joe Asmus. This team presents one program a year for Kayettes on recreation. Recreation is essential in any club and the "green" team provides it for Kayettes.

The purpose of the "red" team is to promote good personality among Kayettes. A good personality is important to everyone, and that's why the Kayette organization stresses it. The leader of this team is Mary Ann Akers.

Service to the school, community, and world is an important factor to Kayettes. This is portrayed by the "blue" team under the leadership of Mary Cragg. Their many projects include keeping the school grounds free of trash, making posters, giving food and clothing to a needy family, and contributing to "Meals for Millions."

KAYETTES

Religion in Kayettes is the responsibility of the "White" team. This team has presented such things as an interpretation of the Ten Commandments and pre-Easter services for O.H.S. students. The team's captain is Lela Birchard.

Appreciation for fellow students, our school, community, all religions, and all races is the goal set up by the "Yellow" Team. In Kayettes, yellow stands for appreciation. The team, captained by Brenda Atwood, helps the Kayettes clean up our school and school grounds.

"Follow-the-Leader," might well be the motto of the "Purple" Team, for purple stands for leadership in Kayettes. Janet Brown, Captain, is demonstrating the leadership qualities which Kayettes strive to bring out in each girl.

Making posters for the Kay-Kay-ette drive to clean up our school and school grounds is but one of the projects for the Kays. They also have projects for the community and the world. Among the projects for world service are: donating to Care, Red Cross, and Meals-for-Millions.

KAYS

"Okay, freshie, push that penny," orders a Kay. Each year the freshmen have to demonstrate their "skills" in an assembly sponsored by the Kays. The result is hilarious laughter from the upperclassmen and definite discomfort from the freshies.

Every year the Kays hold their annual "pop-party." This party is for their membership drive. This year the Kays membership was larger than in any of the past years. This organization is open to any boy of O.H.S. and many opportunities for training in co operation, leadership, and good citizenship are offered to them.

PEP CLUB OFFICERS

The Pep Club officers are always busy. Selling pom-poms was just one of their many money-making projects. Officers are Diana Bowker, President; Dale Shaw, Vice-President; Pat Spears, Secretary; and Barbara Slayman, Treasurer. Miss Dennis is the sponsor of Pep Club.

B-TEAM CHEERLEADERS

"B" Team Cheerleaders are in charge of all Freshman and "B" Team games. This year's cheerleaders are, LEFT TO RIGHT: Jackie McMahon, Linda Ward, Mary Jo Slayman, Linda Chitwood, Marilyn Brown, and Janice Barrett.

If we can look back upon the happy moments and crowd the unhappy ones from our minds, the memories of things that we have shared will bring a strong sense of satisfaction to us.

Who knows what lies around the bend ahead? It may be that goal we have sought, and it may not; but whatever it is, we hope that the echoes will bring back pleasant memories.
